Class History

Dear Class of 1999:

Where have the years gone? It seems like just yesterday that we were entering MHS for the first time. Remember back in 8th grade, when we were all so terrified of the upperclassmen? Well, so quickly things change. Since the time we got here, the rumors started spreading about how special this class was. Well, they were right! We are one of the most talented, if not THE most talented and spirited group to go through the high school in a long time. We have such a diverse group of people, yet over the years, we have formed a great bond between all of us.

It all started in the eighth grade when the Class Officers had to set up for our first big dance, "Tropical Paradise". When we became freshman, we became cool—or so we thought. However, at least we knew we weren't the "8th graders" anymore. Everybody had a great time at The Freshman Fun Night that year. But it wasn't until tenth grade when the class truly began to come together. There was a horrible snow storm three days before our Sophomore Fashion Show, and we had no time to set up for it. But dedicated members of the Class helped set up for this tremendous fashion show, "Dancing Queen". Without a doubt, the best time of our high school moments had to be the Junior Prom, "Remember Me This Way". The whole class put in their time to make this an unforgettable night!

Yet, here we are—Seniors at last. Everybody has been waiting and working so hard to get to this point. Now that we are here, we are counting the days until graduation, but some of us are afraid to leave. No, not to leave Marshfield High School, but to leave the memories, friends, and events that have touched our lives forever.

I would just like to thank all of the Class Officers this year and in past years for all of the dedication and hard work that they have put into the Class. I would like to also thank the Class for allowing us, the Class Officers, to lead you throughout the past five years. Now, on behalf of the Class Officers and the rest of the Class, I would like to thank Mr. Battis for all you have done for us. We can't thank you enough. You have always been there for us, and you will never be forgotten.

As we enter into college, the armed forces, or the work force, remember the good times we all have had, and cherish all of the friendships we have made.

Kevin Polansky Class of 1999 President

The Class of 1999 is a group of RISING STARS!

Class Advisor

William Battis

TO THE CLASS OF 1999

Dances, Skate Parties, Proms, Fashion Shows, Snow Tubing, etc.-- these I was told, would be the most difficult tasks of being an Advisor. However, I knew early on that my most difficult task would not be the planning of a Fashion Show or Prom, but that of saying "Goodbye". Goodbye to a group of people that has touched my life in a "Very Special Way".

I hear too often how good I have been to the Class of 1999. The Class of 1999 has been great to me. Through the good and the bad times, the members of the Class of 1999 have not stood behind me, you have stood along side of me when I needed you the most. This Class represents everything that is good in life, such as being compassionate, understanding, sharing, and believing. In many ways, I feel as though I am an older brother, who is extremely proud of his younger brother or sister on their graduation day. I can't even begin to tell you what an honor it will be for me to walk out on that field in June with truly one of the most gifted classes Marshfield High School has ever had the pleasure to see.

I have no doubt that all the members of the Class of 1999 will go on and make a difference in the lives of many people. I have seen first hand through the last five years how many members of this Class strive for excellence, and more importantly, achieve their goals. Be tenacious in your pursuit of dreams. Don't allow yourself to be derailed because of self-doubt or unkind remarks from others. Greatness is measured in what a person accomplishes in his/her life. The Class of 1999 as a group, and as individuals, has begun this process. You have not only done your school and family proud, but the entire Marshfield Community.

Our time together I will never forget. Your spirit has shown me that my profession is truly one of the most important. May your courage and conviction always show you the way to success, both professionally and personally. Goodbye and Good Luck to a "Best Friend—The Class of 1999", that any man would be fortunate to have in life. May you know that because of your time spent at Marshfield High School, you have made this a much richer and better place. Thank you!

Sincerely,

Your Friend/Advisor, Battis

The Class of 1999 proved its ability to shine at MHS. We'll never forget the friendships we made; our memories will be written in the stars. Now, as shooting stars we will go our separate ways, streaking the skies with our individual fires. We'll explore the world, stretching our wings to their limit. Our dreams will be star dust; our reality will be better. As we look to the horizon, we'll realize that our futures have no boundaries; the sky is the limit.

Football Dreams Come True

SUPERBOWL!

After a disappointing 1997 season as juniors, this year's seniors took it upon themselves to make this season's final outcome something to be proud of. With hard work, the team enabled themselves to overcome adversity.

After a crushing defeat at the hands of Rockland, the team started on the road to the Superbowl. Defeating a formidable Whitman-Hanson team, the Rams became the leaders in the Atlantic Coast League

(ACL). Duxbury became the pivotal game of the season, and the Rams emerged victorious!

Moving on to the Superbowl, the team was faced with the task of beating an undefeated Wellesley squad. Like all the games of this fantastic year, the defense rose to the occassion and shut out the Red Raiders. As usual, the offense delivered a nearly flawless performance.

dable Whitman-Hanson team, the Ramsbecame the leaders in the Atlantic Coast League season the seniors had hoped for.

The girls soccer team had another great season this year with a record of 7-5-4. Early on in the season the girls started their close friendships with summer workouts and pasta parties. With the league change, the girls played a lot of new teams, and weren't sure what to expect. As always, the Atlantic Coast League was very competitive. The girls finished in third place in the league, just a few points out of first place. The team advanced to the South Sectional tournament and suffered a heartbreaking loss to Falmouth in a shoot out.

This years team was led by captains Melissa Keough and Katie Lydon. It takes dedication from everyone involved to be successful in any sport, and our success was due in part to the outstanding effort of all our seniors. Good luck to all the seniors in their college years ahead, you will be missed: Ryann Archer, Jill Conroy, Melissa Keough, Katie Lydon, and Peggy McClellan.

Girls' Field Hockey

The 1998-99 season certainly had its ups and downs. The am, led by eleven seniors, brought a lot of experience into the eason. The record of 7 Wins 8 Losses and 3 Ties is not an idication of the spirit, enthusiasm, and effort the girls put into very game. This veteran group showed their experience by ie simple fact that no one player dominated the spotlight. ach game brought to the front a different face and a different ame.

How can anyone forget the long bus rides to Nauset and -Y, the "pre-and post-game meals" of chips, cookies, and atorade, the stop for supper at Burger King, the almost mble at B-R, the comaraderie at the end of the year banquets the smile on the faces of the many fantastic fans that have ollowed the girls throughout their field hockey career at IHS?

Led by senior Captains Lindsey Morris and Meghan Steel, the MHS Girls Tennis Team had another successful season, placing second in the ACL with an overall record of 12-4 in regular season play. This was an all team effort. Beginning the season with only three returning varsity players, many new girls quickly filled the gap. In her second year in the #1 position, Katherine Ehle lost only 1 match earning her ACL All Star and Patriot Ledger All Scholastic designations. Lauren Benbenek, Sarah Abbott and Melissa O'Grady found success as singles players. The doubles teams of Steel/Morris (17-1) and Bruno/Appleby (10-4) all added to the team's strong finish. Meghan's & Lindsey's success over the past three years with an overall record of 47 wins and only 2 losses, going to the finals in the South Sectionals of the State Individual Tournament and qualifying for ACL All Star, Boston Globe, Boston Herald and Patriot Ledger All Scholastic designations certainly made for an exciting year for everyone. However, it was the enthusiasm, dedication, commitment and hard work by the entire team which made this a happy, fun and successful year.

Doyle,

Good spirits, smiles, persistence and commitment added up to compose the 1999 Marshfield High School Girl's Lacrosse Team. This season brought many new, willing learners along with some girls that participated on the very first team in the spring of 1997. Although victories were scarce, the girls offered challenge and competition to each team they faced. This was a learning experience for all, but more importantly the lacrosse season brought friendships and fun. Many thanks to Coach Gary Long who made this season happen. Coach Long stepped up and took responsibility by leading the team. His kind manner and extensive knowledge brought new insights to be shared and new lessons to be learned. Good luck to seniors Ryann Archer, Liz Carlson, Amanda Giles, Erin McCarthy, Meghan Richter and Sarah Shanley.

Boys Rugby Team

1999 Marshfield High School Boys Rugby Club

The Boys Rugby Club had a very respectable season in 1999. The club finished the regular season with a 4-1-1 record and entered the New England Tournament seeded 3rd. However with time expired in our first round match vs. Boston College HS, we fell behind 17-15 in a very hard fought match. The following week Marshfield was to come back and defeat BC High in Double Overtime 10-5 to win the State Seven-A-Side Championship! We also had 8 players representing Marshfield at the New England High School All-Star match at Newport, RI. With 14 Seniors graduating this year we will be looking to the younger players to develop quickly next year. Awards for this year included: Most Valuable Forward - Joe Grzybala, Captain; Most Valuable Back - Junior, Jon Kadish; Sportsmanship - Brian Smith; Team Spirit - J.J. McPherson, Captain; Team Clown - Scott Neas. In addition to all of the above, New England All-Stars were: Ryan Lynn, Captain, John Schorle, Erich Rhind, Brian Hayes, and Ryan Wood. Congratulations on a great season!
